

The Path
Nathan Zwald

Teach us Oh Lord what you demand
That we would be in your will and know your plan
Teach us Oh Lord how to be free
To walk like Christ and no more as Pharisees

The path has been made wide
For the sake of His promised bride
To walk blamelessly (faithfully) at His side
The path has been made wide
It's been made wide

Trivial things, they weigh us down
Our spirits longing to soar held to the ground
Doctrines of man they cloud our eyes
Reveal to us heav'nly truth for holy lives
